Task	Semester 1														Semester 2									
Week	1	2	3	4	5	6	7	8	9	10	11	Break	12	Exams	1	2	3	4	5	6	7	Break	8	9
Technical research	G	G	G	G	G									R										
Technical learning + understanding				G	G	G	G	G	G					R										
Gathering training data							G	G	G	G	G			R	G	G	G	G	G					
Report: Intro										G	G		G	R										
Jan Deliverable													B	R										
Test deep learning models on new data													G	R	G									
Optimizing models														R	G	G								
Report: Technical														R		G	G							
Additional functionality														R				G	G					
Train models on new functionality														R				G	G	G				
Report: Evaluation + Performance														R						G	G			
Project submission														R									B
